Inclusion and Diversity

Teesdale Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff.

Teesdale Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Teesdale Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we do not tolerate behaviours, language or practices that label, stereotype or demean others. At Teesdale Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Teesdale Primary School:

- actively nurtures and promotes a culture where everyone is treated with respect and dignity
- ensures that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (schools sports, camps, excursions, incursions, Stephanie Alexander kitchen garden program)
- acknowledges and responds to the diverse needs, identities and strengths of all students
- encourages empathy and fairness towards others
- challenges stereotypes that promote prejudicial and biased behaviours and practices
- contributes to positive learning, engagement and wellbeing outcomes for students
- responds to complaints and allegations appropriately and ensures that students are not victimised.

Bullying, unlawful discrimination, harassment, vilifications and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes is not tolerated at Teesdale Primary School. We will take appropriate measures, consistent with our Student Wellbeing and Engagement and Bullying Prevention policies to respond to students who demonstrate these behaviours at our school.

Teesdale Primary School Policy

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Reasonable adjustments for students with disabilities

Teesdale Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers in accordance with the department's [Students with Disability Policy](#). Reasonable adjustments will be made for students with disabilities through our Student Support Group processes in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's Student Wellbeing and Engagement policy or contact the Principal or Program for Students with Disabilities Coordinator.
